Pitts Retires from Southeastern FCU

Valdosta, Georgia – Vickie Pitts has retired from Southeastern Federal Credit Union after 32 years of service.

Mrs. Pitts began her career with what was known as Moody Federal Credit Union in October of 1975. Over the years, she served in practically every position the Credit Union made available, even Interim President. She was an integral part in the Credit Union's growth from being a one-branch operation on Moody AFB to a thriving four branch financial institution serving over 20,000 members. She is retiring as the Vice President of Operations.

Vickie's legacy goes far beyond the growth of Southeastern FCU itself. Her tenure provided tens of thousands of members and hundreds of employees the opportunity to understand and connect with the spirit of the Credit Union movement – people helping people and service to others. Because of her efforts over the years, thousands of lives in South Georgia have changed for the better.
