SOUTHEASTERN

Experience

Summer 2009

Introducing GreenSpeed Coming August 1st!

GreenSpeed

Are you ready for the most efficient and expedient means of communicating with Southeastern? It's here - and it will change your financial life! GreenSpeed is our way of delivering customized account information to you instantly. As compared to traditional paper statements and notices that are mailed to you, GreenSpeed is exceedingly fast, much safer, environmentally green (no paper!), and it's free! As designated activities take place on your account, you are notified instantly via e-mail. With this service, you have access to account information you never had available before. It's safe because no sensitive account information is delivered in the notices.

GreenSpeed has two different components:

1) E-Statements

E-Statements is the electronic version of your monthly and/or quarterly statements you receive via the U.S. Mail. When you sign-up for this service, you receive the same account statements you normally receive in the mail through our secure Internet banking system instead (an e-mail is sent notifying you that your statement is ready to view).

Benefits of E-Statements:

- Receive statements in a more secure setting
- Receive statements many days before mailed statements
- Access previous 18 months of statements anytime
- No more shredding!
- Environmentally green

Home Buying Tips

First-time home buyers have a wonderful opportunity available to them, but it's only offered for a limited time. It's called the First-Time Home Buyers Tax Credit and it's offered by the U.S. Government. You may be eligible to receive up to an \$8,000 tax credit if you purchase a home between now and December 1, 2009. For more information, go to www.federalhousingtaxcredit.com.

When you are ready to purchase a home, give Pam Reimers a call. Let her serve you with a great mortgage loan experience. (229) 293-1290 or (800) 228-9839 x-1290. Pam can take your application over the phone, online, or by appointment.
